**SECOND INFORMATION DISCLOSURE STATEMENT**

Sir:

The above-captioned U.S. patent application corresponds to European Appl. No. 04001253.6. A Search Report issued in connection with the European application, and a copy of that Search Report is attached. The European Searcher identified one U.S. patent and three published European applications as being relevant. Those references have been listed on the attached copy of Form PTO-1449, and copies of the European references are attached as well. All of the references appear to relate generally to apparatus for feeding or fitting grommets, seals and the like.

The Examiner is requested to consider these references during the examination and to make the references of record.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to:

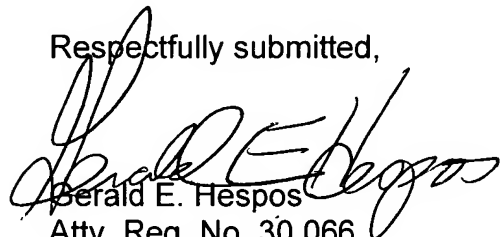

Commissioner for Patents  
P.O. Box 1450
